

APPLICANT RECRUITMENT PACK

Welcome from the Headteacher

I am delighted to welcome you to Caterham High School. Thank you for downloading this application pack and for your interest in the advertised vacancy.

The staff at Caterham High School are committed to discovering and nurturing the abilities of every child and ensuring that all students have the opportunity to achieve their full potential regardless of ability or background. Setting the highest expectations in terms of learning and behaviour, we are justifiably proud of the academic achievements of our students, most of whom join our thriving Sixth Form, with many progressing to university.

We never stand still at Caterham and are always looking at ways that we can improve still further. The emphasis is very much on teaching and learning and that is at the very heart of all that we do.

The School

Caterham High School is a vibrant, inclusive, 6 forms of entry, 11–18 comprehensive community school with approximately 1200 students on roll. Despite being a larger than average sized secondary nationally, locally however, the school remains small in comparison with the expanding secondary schools surrounding it, some of which have increased to 12 forms of entry. The manageable size of the school ensures that every student receives a personalised education and with only 6 forms of entry in each year, we know all the children really well.

The school offers an inclusive curriculum that caters for a comprehensive range of students both in the main school and Sixth Form. We are proud of the fact that our curriculum is both carefully tailored to the needs of our students, and highly and increasingly academic.

The school serves an ethnically diverse community, the majority (just over 50%) of students are from minority ethnic backgrounds. The proportion of students who speak English as an additional language (EAL) is above average, this is representative of the demographics of Redbridge. The school is committed to providing an outstanding, all round education for every child. The school has an Ethnic Minority Achievement department that provides highly specialist teaching. Our EAL students are very successful, achieving high levels in their GCSE's.

The proportion of students for whom the school receives the pupil premium is above national average. The proportion is about a third of students in the school. The school has put into place a number of initiatives and interventions and specialist support to close the gap and ensure all students achieve at Caterham.

The proportion of disabled students and those with special educational needs supported through school action is similar to that in most schools. The proportion is about a tenth of the students in the school. The school has a supportive and committed learning support team. There is a high level of liaison and consultation between the members of the team and the curriculum and pastoral staff. A wide range of outside agencies work closely with the department to provide specialised support to students with more substantial barriers to learning.

The school proudly offers an outstanding provision for students with hearing impairments, Ofsted 2014: "Hearing impaired students are well taught by teachers of the deaf and effectively supported". We employ several specialist Teachers of the Deaf, who are trained in signing and use radio link amplification equipment to support students with their learning. Our experienced Support Assistants provide one-to-one assistance in the classroom and in small groups within acoustically treated rooms to ensure that hearing impaired students have full access to the curriculum and achieve well.

Ofsted

The recent Ofsted report graded the school Good in all the main categories.

Ofsted praised the good leadership, teaching and the strong capacity to improve, so we now set our sights on becoming an outstanding school in the future. Our Ofsted report can be found at <https://reports.ofsted.gov.uk/inspection-reports>.

"The school puts the students at the heart of its inclusive ethos"

The Ofsted team acknowledged that the school is already aware of what it needs to do to maintain this momentum in order to achieve outstanding, to achieve this we aim to:

- Further develop our systems of early intervention to tackle any underperformance at KS3
- Continue to improve literacy standards to ensure all students have access to the curriculum to maximise their potential
