

Redbridge is changing. We are among the fastest growing parts of the country and the third most diverse London borough.

As part of the modernisation and transformation of some of the Council's key front line services and to deliver a major priority in giving Redbridge 'Cleaner Streets', Neighbourhood Street Scene Services have been established in the North, South, East and West of the Borough comprising of:

- Street Cleansing;
- Environmental Enforcement; and
- Engagement and Education.

Its principle responsibilities are:

- The safety and cleanliness of the Borough;
- The protection and enhancement of the urban environment;
- The safety, health and well-being of residents through the environmental enforcement of a wide variety of regulations and legislation; and
- Education of and engagement with the community to raise awareness of waste and recycling management and disposal.
