This is an exciting opportunity for the right teacher to join Our Lady of Lourdes RC Primary School.

We are a supportive and friendly school with high aspirations for pupils. We sit in the heart of a community built on kindness and mutual respect. We are committed to providing high quality teaching to meet the needs of all our children, ensuring progress for all.

We want to appoint a committed, forward thinking and enthusiastic teacher to provide PPA cover across KS1 & 2 . The appointee will work collaboratively with whole school staff and the role will involve working with colleagues across the primary range.

Are you an experienced teacher looking for a new challenge and the next step in your career or a new teacher looking to begin your career in a supportive environment? We are looking for someone to work in partnership with the SLT, enabling the school to continue its journey towards excellence.

We are ranked in the top 1% of schools nationally and our end of Key Stage results are consistently significantly above the national average. Pupils and members of our community are valued for what they are rather than what they can do and are given every opportunity for educational development to the highest level possible. We are all equal and every child is provided with the foundation to become a life-long learner growing in confidence and self-esteem, as well as developing a positive attitude to learning. We provide Excellence, Enjoyment, Opportunity and Aspiration for all children as we prepare every child to become an adult contributor to society.

- An outstanding practitioner?
- Someone who wants to develop professionally with outstanding CPD?
- Self-motivated, well organised and committed to education?
