Headteacher: Miss E Hillman

**March 2025**

Dear Prospective Candidate

Thank you for showing an interest in our school.

I have been Headteacher since September 2022, and am loving the school, the pupils and the commitment to 'Education with Character'. This is a great place to be, with great staff, a welcoming atmosphere, opportunities for growth and development via a robust CPD programme at all levels, and strong links with local schools; including being part of the Seven Kings Teaching Alliance. Behaviour for learning is very good and pupils are polite, engaging and motivated. They really are truly amazing young people with bags of character and creativity.

The school is 100 years old this year and we strive, as then, to be the best local school for the community, providing unparalleled opportunities for our pupils to find their interests and develop a passion for learning, as well as growing to be lovely human beings! The school is clear about its development priorities and aspires to be outstanding in all areas over the next 3-5 years. This is currently a 'good' school and we are clear about our strengths and areas for development. We seek to enable all pupils to achieve the highest academic standards, with a particular focus on narrowing the disadvantaged gap and continuing to develop adaptive teaching. We encourage you to visit or call and learn more about the school and get a better understanding of what we are, what we stand for and the journey we are on.

We introduced a new Behaviour Policy last year, which is being further embedded this year, and have bold plans ahead to ensure all our young people are supported and developed during challenging times and a growing backdrop of mental health needs. We are exploring exciting new models of monitoring, evaluation and review and appraisal to make sure staff really do grow and develop - a high challenge, low threat approach supported by line management and instructional coaching. This is an exciting place to grow and develop as a teacher, staff member or leader.

Whilst we want to ensure change as per our School Development Plan, we are also committed to ensuring this is a truly great place for staff to work - we constantly consider well-being and offer great perks for teachers like the opportunity to leave school if staff have free periods for the rest of the day, as long as directed time is made up elsewhere. We also offer free tea and coffee in the staff room and are looking to develop a much more active staff social life in the future for those who like this sort of thing!!

We are now seeking a School Librarian. This is an exciting opportunity to lead on an integral part of the Wanstead school community, so that literacy, reading and learning across all subjects can be celebrated. We are looking for someone who will drive the library with literary events, for example World Book Day, and also to support our vulnerable pupils who need additional support with reading.

Wanstead High School seeks to enable all pupils to achieve the highest academic standards, with a particular focus on narrowing the disadvantaged gap. The current Ofsted grade is "Good" and we need to endeavour to retain this in the next inspection and ultimately aim for the stars!

As outlined above, we welcome visits to the school and I am happy to talk over the phone to anyone about the role and/or school. We currently have a large building project taking place, which will add 14 new classrooms and associated facilities, with a dedicated dining hall and commercial kitchen and the use of a swimming pool on site at certain times of the day via Leisure Centre membership! I hope you will have the vision to look beyond the temporary facade. Please do not hesitate to get in touch and learn more about this amazing school. The summary School Development Plan is available on the website.

Yours sincerely

Emma Hillman

## Headteacher's Welcome From [Website](#)

I am an experienced and successful Headteacher having been Head of Heathcote School for 5 years prior to joining Wanstead High in September 2022. I have worked for 27 years in, and with, London schools and love the diversity and ambition of young people in our capital city. I have a 14-year-old daughter, and she drives my passion and ambition for children, ensuring that all pupils have an opportunity to be the best they can be; finding their interests and talents and ensuring they are nurtured.

Wanstead High has so many strengths, not least the inclusive and warm ethos, that I have experienced from day one, as well as the strong academic foundations and exam results. In a pre-Ofsted review in September 2023, a Lead Inspector stated that staff at Wanstead High '*hold children's lives in their hands and hearts*'.

At GCSE in 2024, 31% of entries were assessed at grades 9-7, compared to a national figure of 21.7%, whilst 81% of entries were graded at 9-4 compared to 67.4% nationally. Maths and English results were strong with 65% of pupils achieving a grade 5 or above in Maths and English and 83% a 4 in both subjects. Provisional progress score for GCSE is 0.27.

At A level, there is still some work to do to ensure the best and most consistent outcomes in all areas but there were some excellent subject results.

There was so much positive feedback from our pupil survey in July 2024, for example, one pupil said that what they love most about the school is that 'All the teachers care about how you feel and how you are progressing in class.' Others loved the 'lunch, staff, food, opportunities' and 'the learning in which teachers make the learning most effective and find fun ways to learn to encourage children.'

Parents also rate highly the discipline, diversity, friendship, good education, care from staff and inclusive approach and nearly 90% agree or strongly agree that their child is happy in school. In addition, 90% of staff agree or strongly agree that they really enjoy working at the school.

Some other feedback from pupils that helps to get a better understanding of what the school is about:

- ★ *'The ability to feel accepted.'*
- ★ *'The school achieves good results and there are kind, caring and patient students in the community - you give the school a good reputation.'*
- ★ *'I am proud of being a part of the Wanstead High Community because I am able to learn with the best teachers and I have many learning opportunities to help build a great future.'*
- ★ *'Dance and music opportunities.'*
- ★ *'Definitely the togetherness we have at this school, and it's a really inviting atmosphere.'*
- ★ *'The way the school runs, makes me feel as if I belong here.'*
- ★ *'Everyone is very nice and supportive, especially teachers.'*
- ★ *'Safety and kindness.'*
- ★ *'How close we all are and how much we all support each other.'*

★ *‘Being part of a lovely including space where you feel that you can openly talk about your thoughts and feelings, and you feel supported by all members of staff.’*

We know we are not yet perfect, but we will never rest on our laurels. Leaders at all levels in the school are reflective and honest and able to forensically analyse what needs to happen to continually grow and improve. We also encourage feedback to ensure we listen to the voices of our stakeholders. The staff are passionate and dedicated subject specialists, committed to providing ‘education with character’ for all and capable of ensuring the best quality learning and teaching and results for pupils. It is vital that all pupils have the same opportunities and chances to reach their potential, and we address areas where this is not the case.

We strive to ensure the curriculum is rigorous, but also romantic, and engages pupils at all levels, as well as being diverse and forward-thinking. I am passionate about developing the full person, ensuring enrichment opportunities for pupils of all ages, and enabling excellent mental health and well-being, supporting pupils and staff still, in some cases, affected by after-effects of Covid and for the community to continue to grow and flourish.

# School Information

Wanstead High School seeks to enable all pupils to achieve the highest academic standards. Our Progress 8 score has been positive and above average for the past 3 years, and in 2024 is provisionally +0.21. We have significantly narrowed the disadvantaged gap over the last year and are now looking to sustain this moving forward.

A large number of our pupils stay on to the Sixth Form and the majority of these gain entrance to universities and other centres of Higher Education, and we also recruit a substantial number of post-16 pupils from the surrounding area.

Our latest OFSTED report confirmed that we are “Good” in all areas.

The school is maintained by the London Borough of Redbridge and is situated in a residential area near Epping Forest, served by the London Transport Underground Central Line and the M11 motorway. It is, therefore, both within easy reach of central London and out-lying areas such as Essex and Hertfordshire.

There are currently approximately 1438 plus pupils on roll including 250 pupils in the Sixth Form. Currently there are 150 teaching and support staff. Eight forms of entry (240 pupils) are admitted at Year 7. The school encompasses a rich social and cultural diversity and 35% of pupils speak English as an additional language. There are over 35 languages spoken by the pupils. The school is heavily oversubscribed.

All pupils wear uniform except in the Sixth Form where pupils are required to wear tailored clothing. After much liaison with 40 linked primary schools (7 main feeders), pupils join one of eight mixed ability tutor groups and the school seeks to maintain the composition of this and the association with the same tutor throughout the pupil's career. The year based pastoral system is central to the discipline and wellbeing of the pupils. Tutors are led and supported by an experienced team of pastoral heads.

The school has some very good facilities, including a good Sixth Form Centre with state of the art study facilities; ten well equipped Science laboratories and a purpose built theatre, a dance studio and music suite. Considerable refurbishment has taken place over recent years, with work still on-going. The school is well-resourced with IT equipment. There is currently a new build project which you will see if you visit - this will be a new Humanities Block and swimming pool and is therefore a joint enterprise between Leisure and Education. This does impact the day to day running of the school and we are very much looking forward to its completion.

The school's sports facilities are used as a local Leisure Centre, which serves the community in the evening, but which is part of the school during the day. It comprises 4 squash courts, a sports hall, a gymnasium, a multi-purpose sports hall, a fitness training room and a floodlit play area.
