

Ilford County High School Vision

We are a leading grammar school committed to nurturing scholars who excel academically, think critically, and grow into well-rounded individuals prepared to shape the future.

We achieve this through:

- 1. Pursuing Academic Mastery Across a Rich Curriculum**
Delivering a broad, intellectually rigorous curriculum taught by expert educators who inspire curiosity, creativity, and a love of learning.
- 2. Cultivating Global Citizenship and Ethical Leadership**
Embedding social, moral, spiritual, and cultural education that embraces British values while fostering respect, empathy, and responsibility in a diverse, interconnected world.
- 3. Championing Lifelong Learning and Intellectual Curiosity**
Developing reflective, independent learners who embrace challenge, think critically, and demonstrate research and problem-solving skills through innovative programmes such as *Habits of Mind*.
- 4. Building Leadership and Collaboration for the Future**
Providing unparalleled opportunities to lead, collaborate, and communicate effectively through societies, competitive teams, volunteering, and prestigious initiatives like the Duke of Edinburgh Award and outreach programmes.
- 5. Empowering Student Voice and Agency**
Encouraging students to shape school life through meaningful roles in leadership, mentoring, and ambassador programmes that nurture confidence and responsibility.
- 6. Promoting Wellbeing and Resilience for Flourishing Lives**
Ensuring every student understands the importance of physical health, mental wellbeing, and positive lifestyle choices, supported by a safe, inclusive environment where all can thrive.
