# Welcome from the Headteacher

Thank you for your interest in the post of Teacher at Hatton Special School.

I joined the school in September 2023 and feel privileged to be working with such an amazing group of pupils and a friendly, committed and talented staff team.

We have 199 pupils on roll, most with a diagnosis of autism. They are grouped in 26 classes, two of which are co-located in a mainstream school, providing these pupils with inclusion opportunities. We have approximately 170 staff in our school. It is a large but friendly community, you will receive a warm welcome and quickly feel part of the Hatton family. This is an exciting time in the life of our school. Hatton Special School is growing, we will eventually have 250 pupils on roll. In September 2026 we will be expanding into a newly refurbished building; this will become our upper school. These vacancies have arisen as a result of our expansion plans.

Hatton School has a strong track record and we are proud of our achievements; that does not mean we are standing still. We are ambitious for our pupils and are committed to continued improvement and development. We have recently review the way in which we agree, write and report on pupils personal targets, related to their EHCP. This ensures priorities are effectively aligned to their individual needs. This year we have a focus on early reading and phonics and will be reshaping our curriculum and assessment.

Our vision is “to light the fire of curiosity and enquiry in the mind of every pupil”. By empowering our staff to be ambitious and creative and take risks in learning so that pupils are eager to join in and have fun while they do learn. We promise to invest in the induction and training of all new staff so that they can be successful. We have a robust and effective curriculum, our team of curriculum leaders support teachers, we make sure there is time for joint planning to share ideas and reduce workload. We have high standards and are ambitious but we also realise our staff work best when they feel supported, their hard work is appreciated and workload is reasonable.

We welcome applications from teachers with experience of special education and those who have been successful in mainstream schools and are looking for a new and refreshing challenge. Most of us started in mainstream school but have not looked back since we moved to special schools. Whatever your career background we will support you to develop your skills and interests and empower you to share these with others.

Our website will provide more information about our school. You are also welcome to visit the school if you are able. Alternatively, if you are unable to visit but would like an informal conversation about our school that can also be arranged. Please telephone the school and ask for Meraph Kiflay, our assistant business manager, who will be happy to arrange this.

We are proud to put our pupils at the centre of all we do. Joining our team would mean you could join us in making a real difference in the lives of these very special young people.

I do hope you decide to apply, we look forward to learning more about you and what you could bring to our school as a member of the Hatton staff team.

Yours sincerely,

Chris Smaling

## About Hatton Special School

**Who we are:** we are a community dedicated to making a difference in the lives of our pupils. Working with families and other professionals we do all we can to prepare our pupils for a successful future.

**Our purpose is clear:** to light the fire of curiosity and enquiry in the mind of every pupil.
