We are seeking to appoint an enthusiastic and dedicated teacher to join our school as part of a class teacher job-share role. Fairlop Primary School is a community school situated on a large, pleasant site in the London Borough of Redbridge, near the borders of Essex. Fairlop's overall aim is for all of our pupils to achieve the highest possible standards and fulfil their potential emotionally, academically and physically. We recognise that our pupils need to learn the skills to enable them to articulate themselves. Talk is at the core of our curriculum. This allows the children to be able to apply their knowledge and skills across a wide variety of rich learning experiences, which engage, inspire and challenge them. We hold the Unicef Rights Respecting Schools Gold Award and through this approach we aim to create a safe and inspiring place to learn, where children are respected, their talents are nurtured and they are able to thrive.

The successful candidate will be expected to have:

- Qualified teacher status and experience teaching the primary curriculum
- The ability to meet the Teacher Standards
- High expectations of achievement and behaviour
- The ability to work within a team to further improve standards of teaching and learning

In return, we offer:

- A dedicated, friendly and hard-working staff
- Happy, well-behaved and motivated children who enjoy learning
- A supportive Governing Body
- A well-resourced building with extensive grounds
